Crucial Crew

Year 6 children will be going to the annual Crucial Crew event on Tuesday afternoon. This event is to teach children how to look after themselves in the wider community in addition to personal safety. Please return any outstanding consents on Monday.

Macmillan Coffee Morning

So far we have raised £137 – well done to all involved.

Music Lesson Payments

The office staff have requested that the 12 outstanding music payments for this half term are paid by Friday 8th October. Children who did not have their woodwind lesson this week will be given a longer lesson next week. Thank you.

Primary School Applications

If your child is due to start school in September 2017, an application must be made via the Rochdale Council website. The closing date for this is January 15th 2017. We will be holding

an open afternoon on Wednesday 2 November between 2.00pm and 3.00pm.

Harvest Festival

On Friday 7th October, we will be celebrating Harvest Festival. We would like children to bring to school items of food that are in tins, packets and bottles. We would also like children to bring in long life milk, tea and coffee. These items will then be split between the Booth Centre and Rochdale Food Bank.

There will be a service in Church which all are welcome to attend. This will be a service to thank God for all that he provides for us. The service will begin at approximately 9.15am.

We hope to see many of you there.

Digital School

Thanks to a very kind donation by Mrs Michelle Halliday, we have been able to join 'Digital Schools'. Digital schools provide support for schools, children and their parents in the areas of safeguarding, with particular focus on internet safety. All children will receive a letter about an online training portal for parents to use in order for parents to gain confidence in supporting children with an online world.

The website contains a wealth of advice and information to keep you one step ahead of your children.
