This Week's Worship Focus

This half term our focus is Peace. This week we are focussing on Advent with an emphasis on God sending Jesus to Earth to offer us peace. We will be lighting the first candle on our Advent Crown.

Class Attendance Award

This week's winners are class 5 with 98.7% attendance.

Dinner Money/Trip Money/Music Money

Please ensure that money owed to school is played promptly. I understand that Christmas is on the way and family finances can be stretched further than usual at this time of the year. If you are struggling, please come into school and speak to the office staff about the matter – don't just ignore it. Thank you.

Parentview

Ofsted have an online system to allow parents to complete a simple survey about their child's school. This can be found at: <https://parentview.ofsted.gov.uk/> . By filling in the survey, school leaders can use the information gathered to support our self-evaluation processes.

Concert Tickets

There is still time to order tickets for the Christmas concerts. All the money raised goes into school fund which is used for subsidising school trips, buying cookery ingredients, equipment, party supplies etc.

FROST

There is a non-uniform day on Friday 2nd December. In return we would like children to bring in items for the Christmas hamper raffle. A letter went home explaining what could be brought in. There is a copy of the letter on the website under the FROST tab.

School Health Drop-In

Naomi, our assigned School Health Practitioner, will be in school from 2.45pm on Tuesday to discuss and concerns you may have about your child. This could include bed wetting, diet, eczema, asthma, head lice, not sleeping and hearing etc. All of these are common problems that affect children. The drop-in clinic will be held in the Headteacher's office. – no appointment necessary.

Children in Need

We raised a total of £386.02. An amazing effort. Thank you.

Pantomime

Please can we have any outstanding pantomime slips returned to school as soon as possible. We buy the children an ice-lolly for the interval. These are usually orange juice based. Please contact the office staff if your child suffers from allergies linked to orange juice ice-lollies.
