### Parents Evenings

We will be holding parents evenings on Monday 6<sup>th</sup> March and Wednesday 8<sup>th</sup> March. There are still parents who have not booked a slot. Please contact the office if you are having trouble.

Class 3 will be having their Parent's Evening, later on this term due to staff sickness.

### Visit to Pakistan

During the half-term holiday, I was privileged to be part of an educational delegation from Manchester Diocese that visited the Lahore Diocese in Pakistan. The delegation included seven school-based staff from across the Diocese of Manchester, the Right Reverend Rodgers Gavinder (The Dean of Manchester Cathedral) Maurice Smith (the Director of Education for the Manchester Diocese) and the Reverend Fallak Shah, the Parish Priest from St Werburgh's Parish in Chorlton. We worked very closely with the Bishop of Lahore and the Director of Education for the Diocese of Lahore.

During the trip, I taught in two schools in Lahore and a school in Rawalpindi and visited St Denys Girls School in Murree. I also led four teacher-training sessions (three based in Lahore and one in Rawalpindi).

There was also a very interesting visit to St Thomas' Church in Islamabad. I hope to be able to share my experiences with you at a Pakistani themed evening in the near future.

### School Crossing Patrol

Mrs Lumb, who has been our school crossing patrol person for many years has decided to retire at the end of this term. We are

holding a collection for her in school. If you would like to contribute - please send in donations to the school office.

### Mediquip for Kids

We have been supporting the Mediquip charity for several years and hold an event in school once every two years, traditionally in the spring term. This year we are holding a fancy dress day on Friday 10<sup>th</sup> March. We are asking children to dress up as medical professionals to keep in with the theme of 'Mediquip', in return for a donation of loose change, which can be sent into school via the envelopes that have been given out.

Mediquip for Kids provide specialist paediatric equipment to the ambulance service and hospitals.

### Spell Zoo

Please can all children ensure that they complete Spellzoo and Spellings each week.
