This Week's Worship Focus

This half term's focus is Unity in Diversity. Rev. Ivan Ruiters will be leading worship on Friday.

Class Attendance Award

This week's winner is class 3 with 99.3%. Well done.

Homework

All children are given weekly homework, including spellings from the 'Spellzoo' programme. It is important that the homework is completed and returned to school on Fridays. The homework policy is written in the back of the children's weekly diary for you to read. The work sent home is an important part of consolidating class work.

Anti-Social behaviour on the Playground

The police have collected the images that have been captured and the PCSOs are going to step up patrols. The problems seem to be occurring more at weekends rather than in the evenings. I would like to thank those parents who have contacted the police when they have noticed anti-social behaviour.

Dogs on the Playground

Dogs are not allowed on the school playground, even if they are being carried. Please wait on the lane if you have a dog. This is because we do have some children who are frightened of dogs – even the little ones in arms. We do occasionally have animals in school; however, these are by pre-arrangements and the appropriate risk assessments have been carried out.
