## Safeguarding of Children

### E-Aware

We have signed up to 'eaware' which is an online product to enhance children's digital competency. The company has a YouTube channel with lots of videos to support parents and children with this subject. Children will be starting lessons in school using the content from January, Please view the website and the YouTube channel to familiarise yourselves with content.

### Reporting Concerns

If you have any concerns about a child you can report it to school. The Designated Safeguard Lead is Mrs Williams and Miss Hobbs is the Deputy Designated Safeguard Lead.

### Digital Parenting

All children should now have been given the latest copy of the Digital Parenting magazine. Please read this carefully and keep for future reference. We are experiencing a lot of problems at the moment with children not using social media correctly. This is causing great upset at school and putting the children at risk.

## Health and Wellbeing

Children have been given the latest booklets from the Change4life campaign. This is a really useful booklet with lots of ideas to support a healthy lifestyle.
