MedEquip4Kids

MedEquip4Kids is a children's charity raising money to provide paediatric medical equipment and facilities for hospitals and community health teams. To show our support for this invaluable charity, we are holding a dress-up day on Friday 24th May. The theme is: Nurses, Doctors and Patients. We are hoping to go on a whole school walk in the afternoon (weather permitting). More information about the charity can be found on their website.

All children have been given an envelope to collect money for the charity 'MedEquip4Kids'. These envelopes should be returned to school on Friday 24th May.

Warm Weather

Children can bring sun hats and sun cream (labelled with their name) to school to protect them from the sun. Children must not share sun cream with their friends due to allergies. If your child does not have a school water bottle, please provide them with one as it is important that children stay hydrated in warm weather.

Children who suffer from hay fever, can bring their medication to school – however, this must be kept in the school office and a medical form needs to be filled in. Children who suffer from hay fever can bring sunglasses to school to wear – but this needs to be with prior arrangement with the class teacher or office staff as we don't want sunglasses to go missing or get broken.

Children can also wear grey shorts or a blue checked dress if they wish. However, please don't send your child to school in open toed sandals as we find that children are more prone to injury on the playground.

Dinner Orders

Please remember to order school dinners for next week by midnight on Sunday. Thank you.

Afternoon Tea

Children attending the afternoon tea may bring a change of clothes on the day. Please put the clothes in a bag labelled with your child's name. Thank you.

Parents' Association

The next Parents' Association meeting will be held in school on Monday 3rd June at 3.30pm.
