School admissions 2020

The application process for both primary and secondary school admissions are now open.

My advice is to view as many schools as possible. If an open evening/day cannot be attended contact the school directly for further advice. Information about individual school is available from their school website.

Our open afternoon is Wednesday 30th October at 1.45pm

Parking (Again)

Yet again I am having to request that the adults collecting and dropping off children consider where to park. Unfortunately, it seems that there are a minority of people who believe that they should have a door-to-door service for getting children to school and this is definitely not the case.

It is not safe for any of the children if cars are parked on the pavements on Huddersfield Road or on Church Street. The sensible and courteous thing would be to park a little bit further away either on Haugh Lane, near the Cedar Tree, Railway Street or Two Bridges Road. There have been some near misses already this year and I hope that the near misses don't turn into a child being hit by a vehicle.

We always think 'it will never happen to me' but one day it might. It is only by sheer luck that there hasn't been a serious incident near school involving one of the children.

Think before you Park.

Parking near the school is dangerous and selfish.
