School admissions 2020

The application process for both primary and secondary school admissions are now open. **The closing date for secondary applications is 31st October.**

My advice is to view as many schools as possible. If an open evening/day cannot be attended contact the school directly for further advice. Information about individual school is available from their school website.

Our open afternoon is Wednesday 30th October at 1.45pm

From The Office

All outstanding money for this half term needs to be paid by Wednesday next week. Please check reading bags for reminder letters.

Parent's Association

There is a committee meeting on Monday 14th October in school.

On Thursday 17th October there is a non-uniform day. In exchange for wearing their own clothes, we are asking for donations of chocolate. This chocolate will be raffled off in hampers at the Monster Mash Ball.

Tickets for the Monster Mash Ball are available from the school office. This is a social event being held at Milnrow Cricket Club on Friday 1st November.

Parking (Again)

Yet again I am having to request that the adults collecting and dropping off children consider where to park. Unfortunately, it seems that there are a minority of people who believe that they should have a door-to-door service for getting children to school and this is definitely not the case.

It is not safe for any of the children if cars are parked on the pavements on Huddersfield Road or on Church Street. The sensible and courteous thing would be to park a little bit further away either on Haugh Lane, near the Cedar Tree, Railway Street or Two Bridges Road. There have been some near misses already this year and I hope that the near misses don't turn into a child being hit by a vehicle.

We always think 'it will never happen to me' but one day it might. It is only by sheer luck that there hasn't been a serious incident near school involving one of the children.

Think before you Park.

Parking near the school is dangerous and selfish.

Parent's Evening

Parent's evening is due to take place on Monday 4th November and Tuesday 5th November. It is important that parents take this opportunity to meet with their child's class teacher. You will be given the opportunity to discuss your child's progress and any issues relating to their education. Parent's evenings also form part of the review cycle for children with a special education need.

Appointments are limited to 10 minutes per child, however, it is possible to make additional arrangements with your child's teacher if you feel you need more time.

Appointment times can be booked online through the school website from next Friday. For this you will need to have a login for the school website. All new parents will be given this information before next Friday.

If you have difficulty with this, please contact the school office staff who will be happy to help.
