Some children who find reading and spelling difficult have access to Lexia. This is an online subscription site, which school subscribes to for the benefit of these children. If your child has a Lexia login, please support them at home with it.

Classes 3, 4 and 5 have been given **Times Tables Rock Stars** log-ins to use at home and in school. There is a leader board. The aim is to be under 3.00 seconds.

World Book Day 2020

World Book day takes place on **Thursday 5th March**. Children are invited to dress up as a book character for the day. We will be doing lots of fun activities in school based on books.

We will be holding a book swap event at 3.10pm (hopefully outside)! Children can bring a book that they have read and swap it for another one. There will be an opportunity for adults to do the same.

We will also be launching our parent mystery reader initiative – look out for a letter in your child's book bag.

At the end of March we will be holding a 'Reading around the Campfire' session – look out for information, nearer the time.

Online Safety

There have been a few incidents in school this week regarding social media. It is really important that your child's use of social media apps is monitored and that privacy and parental controls are set. Social media apps are often used in the wrong way and put children in vulnerable positions. Children need to be kept safe.
