Message from Mrs Williams

'Encourage one another and build each other up.'

1 Thessalonians 5.11

We all need support from our friends, particularly when life is a bit tough and things are a struggle. This week, the year 6 children supported each other through their tests and despite some wobbles, all of the children completed the test papers. The children were able to rely on their friends for the support they needed to get through. I also witnessed children building each other up during the bikeability sessions. Encouragement from those around us helps us to take that next step, that leap of faith and this week, I have seen that from the children in bucket loads.

From the Office...

- Reminder to Year 6 parents to pay the balance for Winmarleigh Hall. This is on Wisepay.
- We have a lot of good quality second hand uniform in school. If you would like some, please contact the school office with what items you would like and what size you need.

Wear a Flower in your hat day

On Friday 17th June, we will be taking part in a fund raiser for the 'Brain Tumour Research'. Our little school has seen a number of families affected by brain tumours, including two of our children. Hamish, who is now an adult and Bodie, who is now in year 1.

We would like children to come to school in their uniform with either a flower in a hat, in their hair, on their person or painted on their face. We will be making flowers in school for children to wear too.

We would like children to bring donations for this event to school on the day.

Attendance Trophy

Jubilee Celebrations

On Friday 27th May, we will be holding our jubilee celebrations in school. Children can come to school wearing red, white and/or blue clothing.

In the morning, children will be making jubilee crowns and preparing food for our street party, which will be taking place in the afternoon. We are hoping the weather allows us to hold it on the playground. If it is raining we will be having a picnic in the hall.

At the end of the day, all of the children will be presented with a Jubilee presentation coins and a story book from the DFE.

This online programme is paid for by the Parent's Association. It is a shame that most children are not playing it regularly.

All children form year 2 upwards should be accessing the programme regularly at home to help them develop their recall and their speed.
