A note on worship...

'Always be Thankful'

1 Thessalonians 5:16

This half term, our worship is centred on thankfulness. Sometimes it is hard to remember to take a step back and be thankful for those around us. We began by being thankful for all of the people who help us in school. The Bible tells us that when St. Paul wrote letters to his friends he often began by thanking God for them and what they meant to him. In his letter to his friends in Philippi he begins 'Every time I think of you I give thanks to my God' Philippians 1:3.

We all have people around us who are 'just there' and often we forget to say thank you.

As I watched the endless line of people paying their respects to Queen Elizabeth II, I noticed that many simply bowed their heads and said 'Thank you'. A thank you to someone who they had never met, whose actions were ever present in our lives with her continuous service to the country and her unwavering Christian faith.

Reading

The best gift you can give your children is love of reading. It is really important to your child's education that they read at home. Every child has school reading book. These books are put into bands based on content and challenge.

Please ensure that your child's reading book is in school every day and that you hear your child read often.
