A note on worship...

Thanking God for our food.

Our theme this week was thanking God for our food. We often take our food for granted, nipping to the shops when the cupboards are empty. We spent some of the time thinking about the 300 million children in the world that go to bed hungry and the 400 million children that don't have access to clean water. It made us think how lucky we are to be able to have access to food and water regularly, something we need to be grateful for.

Harvest Festival Service

We are having two small services in St Thomas' Church. The first service is from 9.15am until 9.40am and the second is 9.45 until 10.15am. The younger children in Amethyst, Ruby and Opal classes will attend the first one and Emerald and Sapphire will attend the second one.

We are doing this to support the younger children who have not been to church before.

We invite children to bring non-perishable food items to the service so that they can be distributed to the local foodbanks
